Defendants lawyers, particularly, Michelle Lo's office, know Plaintiff personally and their office, has worked with Plaintiff for decades in various anti-corruption and sting operations dating back to the 1987 San Francisco Mayoral Campaign sting which put one candidate in prison and another was removed from politics permanently. Where they argue that no FTCA or administrative resolution attempts have been

sought by Plaintiff, they are fully aware of Plaintiff's precedents set in his cases including:

Limnia, Inc. v. DOE, No. 16-5279 (D.C. Cir. 2017)

Limnia, Inc. v. DOE , 857 F.3d 379 (2017)

In The United States Court Of Federal Claims Case No. 1:22-cv-00060-EDK was processed

XP Vehicles et al. v. Department of Energy, et al., No. 13-cv-00037 (D.D.C.)

XP VEHICLES, INC. et al v. U.S. DEPARTMENT OF ENERGY et al dedce 1:20 13-cv-00037

XP Technology v. United States, No. 12-00774 (C.F.C.)

XP VEHICLES, INC., et al. v. USA cofce 1:20 12-cv-00774

and many others including the cases in local Courts against the CIA operatives: IN-Q-Tel, that were hired to engage in some of the dirty tricks campaigns in this matter and the case which helped put attacker/kill-service Gawker Media out of business TWICE! It is strange and bizarre for Defendants to claim no knowledge of these past efforts in this lengthy battle.

Defendants base cases, above, which this case derives from, were created, supported and produced by White House lawyers and Congress-people. Plaintiff is an average citizen with no ability to comprehend the legal language in any of these documents. All of the original case work was done by government funded community groups.

Almost every case, by Plaintiff, on Pacer.gov is against the parties involved in these harms and attacks. It is ludicrous for Defendants to claim to know nothing of this and to ignore the many thousands of newspaper articles, Documents by Supreme Court Judge Jackson, 60 Minutes Videos and other vast documentation. The Defendants approach to simply dismiss one of the biggest anti-corruption cases in history seems to be an obvious attempt to cover-up one of the biggest anti-corruption cases in history.

1 The case matter of all of the above and related cases should be merged and a new Judge appointed
2 who does not have multiple political, personal and stock ownership conflicts of interest. In all of these
3 matters, Plaintiff has never been allowed his “day in Court” and has been blocked from ever speaking
4 before a Jury or before Congress because public officials fear he truth in his testimony.

5 This case should remain in San Francisco Superior Court.

6 DATED this day of the filing of 2023

7 Respectfully submitted,
